Reason for Recognition:  Deliver together

To:  Anupama Navaneethan

Dear Anupama, Thank you for being such a wonderful partner and working patiently with me to obtain critical data around account truncation, Spanish and volume of yearly requests. You have carefully listened, researched and created reports that we truly needed for our own team and for MSP. You always follow-up to ensure our data needs are met in a timely fashion and do so with such a lovely attitude. I am learning a lot from you and I'm excited to continue partnering on efforts that are valuable to our organization! Danielle
